GOVERNMENT OF INDIA

CABINET SECRETARIAT

Department of Personnel and Administrative Reforms

Notification

New Delhi, the 15th November, 1974

G. S. R. 472(E). — In exercise of the powers conferred by sub-section (1) of section 3 of the All India Services Act, 1951 (61 of 1951), the Central Government, after consultation with the Governments of the States concerned, hereby makes the following rules further to amend the Indian Forest Service (Pay) Rules, 1968, namely:—

1. (1) These rules may be called the Indian Forest Service (Pay) Second Amendment Rules, 1974.

(2) Save as otherwise provided, these rules shall be deemed to have come into force on the 1st day of January, 1973.

2. In the Indian Forest Service (Pay) Rules 1968 (hereinafter referred to as the said rules), in rule 3, for sub-rule (1), the following sub-rule shall be substituted, namely:—

“(1) The time-scales of pay admissible to a member of the service shall be as follows, namely:—

Junior Scale: Rs. 700-40-900-EB-40-1100-50-1300 (15 years);

Senior Scale: Rs. 1100 (6th year or under)-50-1600 (16 years);

Provided that a member of the Service may elect to continue to draw pay in the scale applicable to him prior to the 1st day of January, 1973 until the date on which he earns his next or any subsequent increment in that scale or until he vacates his post or ceases to draw pay in that scale”.

3. In the said rules, after rule 4, the following rules shall be inserted:—

“4A. Option to the I.F.S. Officers drawing pay in the State Forest Service Scales of pay.— A member of the Service recruited under sub-rule (1), read with sub-rule (3A), of rule 4 of the Indian Forest Service (Recruitment) Rules, 1966, who is drawing pay and annual increments in the State Forest Service scale of pay by virtue of clause (c) of sub-rule (1) of rule 4 of the Indian Forest Service (Pay) Rules, 1968, shall have the option to draw pay and increments in the revised

scale of pay prescribed in sub-rule (1) of rule 3 with effect from the 1st day of January, 1973:

Provided that he exercises the option within six months from the date of issue of the Indian Forest Service (Pay) Second Amendment Rules, 1974:

Provided further that the option once exercised shall be final.

4B. Fixation of pay of an officer, who was a member of the Service on the 1st day of January, 1973. — Notwithstanding anything contained in rule 4, the pay of an officer, who was a member of the Service on the 1st day of January, 1973 shall be refixed, as from that date, separately in respect of his pay drawn in a substantive or officiating capacity in the following manner, namely:—

(a) in the case of an officer drawing pay upto and including Rs. 1800 in the existing scale —

(i) an amount representing five per cent of the basic pay (whether substantive, officiating or acting), subject to a minimum of Rs. 15/- and a maximum of Rs. 50/- should be added to the existing emoluments of the officer. If this results in a fraction of a rupee, the fractions of 50 paise and above shall be rounded off to the next higher rupee and those below 50 should be ignored.

(ii) after the existing emoluments have been increased and computed as specified in sub-clause (i), the pay shall be fixed in the revised scale at the stage equal to the amount so computed or, if there is no such stage in the revised scale, at the stage next above the amount so computed:

Provided that if the amount as computed under sub-clause (i) is less than the minimum of the revised scale, the pay shall be fixed at the minimum of that scale:

Provided further that if the amount as computed under sub-clause (i) is more than the maximum of the revised scale the pay shall be fixed at the maximum of that scale:

Provided also that, except in cases where the pay is fixed at the minimum of the revised scale, if the amount so computed under sub-clause (ii) exceeds the existing emoluments by more than Rs. 100, the initial pay shall be fixed at the highest stage in the revised scale at which the revised emoluments payable do not exceed the existing emoluments by Rs. 100 and the difference, if any, between the existing emoluments plus Rs. 100, and the revised pay so payable shall be allowed as personal pay to be absorbed in future increase in pay.

Explanation. — For the purposes of this rule, existing emoluments shall comprise the following, namely:—

- (I) (i) Basic pay in the time scale
- (ii) Dearness Allowance
- (iii) Dearness pay
- (iv) Interim reliefs;

(II) Dearness pay, dearness allowance and interim reliefs shall be those appropriate to the basic pay;

(III) 'Existing scale' in relation to an officer means the time scale applicable to the officer (or, as the case may be, personal scale applicable to him) as on the 1st day of January, 1973, whether in a substantive or officiating capacity;

(IV) revised scale in relation to an officer means the appropriate time scale admissible under sub-rule (1) of rule 3;

(V) where the existing emoluments together with personal pay, if any, exceed the pay fixed in the revised scale in the case of an officer, the difference shall be allowed as personal pay to be absorbed in future increases in pay;

(VI) where in the fixation of pay under sub-clause (i), the pay of officers drawing pay at more than five consecutive stages in an existing scale gets bunched, that is to say, gets fixed in the revised scale at the same stage, the pay in the revised scale of such of these officers who are drawing pay beyond the first five consecutive stages in the existing scale shall be stepped up, upto the stage where such bunching occurs, as under, by the grant of increment(s) in the revised scale in the following manner, namely:—

(a) for officers drawing pay from the 6th upto the 10th stage in the existing scale, by one increment.

(b) for officers drawing pay from the eleventh upto the fifteenth stage in the existing scale, if there is bunching beyond the tenth stage, by two increments.

(c) for officers drawing pay from the 16th upto the 20th stage in the existing scale, if there is bunching beyond the fifteenth stage, by three increments.

If by stepping up of the pay as above, the pay of an officer gets fixed at a stage in the revised scale which is higher than the stage in the revised scale at which the pay of an officer who was drawing pay at the next higher stage or stages in the same existing scale is fixed, the pay of the latter shall also be stepped up only to the extent by which it falls short that of the former.

(VII) (a) where in the fixation of pay under sub-clause (i), the pay of an officer, who, in the existing scale, was drawing immediately before the 1st day of January, 1973 more pay than another officer junior to him in the same cadre, gets fixed in the revised scale at a stage lower than that of such junior, his pay shall be stepped up to the same stage in the revised scale as that of the junior.

(b) in the case of an officer drawing basic pay exceeding Rs. 1800 in the existing scale, the pay shall be fixed at the stage in the revised scale which is equal to his basic pay in the existing scale plus dearness allowance drawn by him at the rates in force on the 31st December, 1972, or if there is no such stage, the stage next below such aggregate pay plus personal pay equal to the difference to be absorbed in future increases in pay. But if the minimum pay of the revised scale is more than the pay admissible under this clause, the pay shall be fixed at the minimum of the revised scale.

Explanation.—Notwithstanding anything contained in clause (a) or clause (b), where the pay of an officer, who exercises an option under rule 4A would get fixed in the revised scale of pay at a stage higher than the pay of an officer in the same Cadre, having the same year of allotment, but drawing pay in the time scale of pay of the Indian Forest Service, the pay of the former shall be restricted to the pay of the latter".

4. In the said rules, in rule 5,—

(I) in sub-rule (I),—

(a) to clause (i), the following proviso shall be added, namely:—

"Provided that the increments falling due after the 1st day of November, 1973, shall accrue on the first day of the month in which they would have accrued it.";

(b) to clause (ii), the following proviso shall be added, namely:—

"Provided that the increments falling due after the 1st day of November, 1973, shall accrue on the first day of the month in which they would have accrued.";

(c) to clause (iii) after the existing proviso, the following proviso shall be added, namely:—

"Provided further that the increments falling due after the 1st day of November, 1973, shall accrue on the first day of the month in which they would have accrued.";

(2) to sub-rule (4), after the existing proviso, the following further proviso shall be added, namely:—

"Provided further that the increments falling due after the 1st day of November, 1973, shall accrue on the first day of the month in which they would have accrued.";

(3) after sub-rule (4) as so amended, the following sub-rule shall be inserted, namely:—

"(5) The next increment of a member of the Service whose pay has been fixed under rule 4B shall accrue to him on the date on which it would have accrued in the time scale applicable to him immediately before the 1st day of January, 1973.

Note 1.—Increments falling due after the 1st day of November, 1973 shall be drawn on the first day of the month in which they would have accrued.

Note 2.—In cases, where the pay of an officer is stepped up in terms of Explanation (VI) below sub-clause (ii) of clause (a) of rule 4B, the next increment shall be granted on the completion of qualifying service of twelve months from the date of stepping up of the pay in the revised scale.

Note 3.—In cases other than those covered in Note 2, the next increment of a member of the Service whose pay is fixed on the 1st day of January, 1973 at the same stage as the one fixed for another officer junior to him in the same cadre and drawing pay at a lower stage than his in the existing scale, shall be granted on the same date as admissible to his junior, if the date of increment of the junior happens to be earlier.

Explanation. — For the purposes of this rule, increment shall be construed to mean stages in the time scale and not necessarily actual increases in pay (that is to say, where an increment in any scale is not annual, the increment shall be construed as carrying as many stages as the number of years of service required to be rendered for earning an increment)."

5. In the said rules, for Schedule I, the following Schedule shall be substituted, namely:—
